

**CALFED Brown Bag Seminars
Lead Scientist Candidate Dr. Mark Bain**

*Environmental Restoration in a Crowd:
A Pier and an Estuary in New York City*

**October 1, 2007
Noon - 1:00 pm**

**CALFED Bay-Delta Program
Delta Room
650 Capitol Mall, 5th Floor
Sacramento, CA 95814**

The CALFED Bay-Delta Program is conducting a search for a Lead Scientist to replace Dr. Michael Healey when his term expires at the end of the year. The Independent Science Board recruited four Lead Scientist candidates that will be interviewed by a Selection Committee consisting of agency, stakeholder, and ISB representatives during October and November. Each candidate will present a noon Brown Bag Seminar to the public and will meet with the Selection Committee and CALFED staff.

Next Candidate Seminars:

- **Dr. James T. (Tim) Hollibaugh, University of Georgia – Oct 9**
- **Dr. Nicholas Clesceri, Rensselaer Polytechnic Institute (Emeritus) – Oct 22**
- **Dr. Clifford Dahm, University of New Mexico – Nov 2 (tentative)**

Dr. Mark Bain is an Associate Professor of Aquatic Systems Ecology with the Department of Natural Resources and Director of

Mark Bain

the Center for the Environment at Cornell University in Ithaca, New York. As an aquatic biologist and ecosystem scientist, he specializes in fish and benthic invertebrates found in lakes, streams, and estuaries. Dr. Bain has

environmental policy experience in endangered species protection, energy versus environment conflicts, watershed management, and international conservation. He serves as a special employee to the US Environmental Protection Agency. Dr. Bain served as the Director of the Center for the Environment at Cornell for four years, with the goal of advancing sustainable relationships between environmental and human systems.

If you need reasonable accommodation due to a disability, please contact Colleen Kirtlan, CALFED Bay-Delta Program at (916) 445-5511, TDD (800) 735-2929.

Please allow extra time for parking and federal building security screening procedures. Current photo identification is required for building access. Visitors may bring cameras and cell phones with camera capability into the building ONLY with the prior approval of the CALFED Bay-Delta Program and the Federal Protective Service, and their use in the building will be subject to federal restrictions. Please contact Terry Smith, Security Coordinator for the CALFED Bay-Delta Program, cell (916) 716-1904, office (916) 445-5345 or tsmith@calwater.ca.gov for building access information and camera guidelines.
