

**CALFED Brown Bag Seminars
Lead Scientist Candidate Nicholas Clesceri**

*Unraveling the Complex World of Water Resources in California:
The CALFED Bay-Delta Program*

October 22, 2007

Noon - 1:00 pm

**CALFED Bay-Delta Program
650 Capitol Mall, 5th Floor, Sacramento, CA 95814**

The CALFED Bay-Delta Program is conducting a search for a lead scientist to replace Dr. Michael Healey when his term expires at the end of the year. The Independent Science Board (ISB) recruited four lead scientist candidates that will be interviewed by a selection panel consisting of agency, stakeholder, and ISB representatives during October and November. Each candidate will present a noon Brown Bag Seminar to the public and will meet with the selection panel and CALFED staff.

Candidate Seminars:

- **Dr. Mark Bain, Cornell University – Oct 1**
- **Dr. James T. (Tim) Hollibaugh – Oct 9**
- **Dr. Nicholas Clesceri, Rensselaer Polytechnic Institute (Emeritus) – Oct 22**
- **Dr. Clifford Dahm, University of New Mexico – Nov 2**

Dr. Nicholas Clesceri is professor of environmental engineering, emeritus, with Rensselaer Polytechnic Institute, Troy, New York. Dr. Clesceri has served as Director of Rensselaer's Fresh Water Institute at Lake

Nicholas Clesceri

George. He also served four years as program director for environmental engineering for the National Science Foundation.

Dr. Clesceri has served on the board of directors of the Hudson

River Environmental Society, and also as president and vice-president. His work has included serving as New York Governor Pataki's appointee to the Technical Advisory Committee, Watershed Protection, and Partnership Council. Dr. Clesceri now serves as senior technical advisor and agency liaison to the WATER and Environmental Research Systems (WATERS) Network Project Office.

If you need reasonable accommodation due to a disability, please contact Colleen Kirtlan, CALFED Bay-Delta Program at (916) 445-5511, TDD (800) 735-2929.

Please allow extra time for parking and federal building security screening procedures. Current photo identification is required for building access. Visitors may bring cameras and cell phones with camera capability into the building ONLY with the prior approval of the CALFED Bay-Delta Program and the Federal Protective Service, and their use in the building will be subject to federal restrictions. Please contact Terry Smith, Security Coordinator for the CALFED Bay-Delta Program, cell (916) 716-1904, office (916) 445-5345 or tsmith@calwater.ca.gov for building access information and camera guidelines.
